

Sonoma Valley ACS/ARES - Activation S.O.P.

1. If a Public Official asks you to activate ACS/ARES, contact your Unit Leader (UL) or an Assistant UL (AUL) immediately.
 2. The UL or AUL will designate a net control station (NCS) and activate the phone tree by calling the first person in each color group.
 3. The person contacted will be responsible for contacting the other members in their color group below them.
 4. Once contacted, ACS/ARES members are to check in on the air and await instructions.
 5. As required, the UL or AUL will open the Radio Room at the Sonoma City/Valley EOC (175 First Street,).
- Note:** If the UL or an AUL are not available, **YOU** are to 1) assign a NCS and 2) activate the phone tree until the UL or an AUL become available. The **NCS** will: 1) be acting UL and will 2) activate the Radio Room and assign other duties as necessary.
