VOMARC Wednesday Night Net – Net Control Script

Revised by Stan NJ6E, November 3, 2018

Pre-net (7:28 pm): This is [name], [call]. The Valley of the Moon Amateur Radio Club weekly net will begin in two minutes.

Welcome to the Valley of the Moon Amateur Radio Club Wednesday night net. This is [name], [call], net control station for tonight. This net meets weekly at 7:30 pm, with the exception of meeting night, which is the third Wednesday of each month. Club meetings are held at 7:30 pm at the Sonoma Police Station Emergency Operations Center at 175 First Street West in Sonoma. Information related to upcoming meetings is announced on this net, in the monthly newsletter, and on the club's website, vomarc.org.

The purpose of tonight's net is to discuss business and events related to the activities of the club. New members to the club are welcomed and encouraged. Anyone wishing more information on VOMARC should visit the club's website, vomarc.org, or may direct inquiries to the net control station.

Is there any urgent or emergency traffic for the repeater at this time?

Nothing heard. Check-ins to the VOMARC net are taken according to the first letter following the number in your call sign. Member check-ins will be taken first, followed by visitor check-ins.

- At this time, stations with call sign suffix letters Alpha through Juliet may check in *(each check-in acknowledged);*
- Call signs with suffix Kilo through Romeo are invited to check in;
- And call signs Sierra through Zulu, please check in now;
- Any additional members, call sign suffix Alpha through Zulu, please check in.
- Are there any visitors on frequency who would like to check into the VOMARC weekly net?

At this time, we will request announcements from club officers present on tonight's net.

President – Jim K6UUW *(2019 officers shown)*
Vice President – Robert KA5WSS
Secretary – Dave KD6FIL
Treasurer – Eileen KG6QNT

Radio Officer – Mike WB6TMH
Training Officer – Jim K6UUW
