Sonoma Valley ACS - Activation S.O.P.

1. If a Public Official asks you to activate ACS, contact your Unit Leader (UL) or an Assistant UL (AUL) immediately. ACS is **not activated** until it is approved by the CRO or you are advised by the UL that it has been.**

2. The UL or AUL will designate a net control station (NCS) and start the phone tree by calling the first person in each color group. The person contacted will be responsible for contacting the member in their color group below them.

3. Once contacted, ACS members are to check in on the air (146.205+/88.5, or alternate 147.480 simplex) and await further instructions.

4. As needed, the UL or AUL will open the Radio Room at the Sonoma Valley/City EOC (175 First Street West).

** _Note:_ If the UL or an AUL are not available, _YOU_ are to 1) assign a NCS and 2)start the phone tree until the UL or an AUL become available. _YOU_ will: 1) be acting UL and will 2) open the EOC Radio Room and assign other duties as necessary.
